(a) to (c): State/UT-wise details of number/percentage of school going Scheduled Tribe (ST) children are given at Annexure-I. Percentage of school going ST children in the age group 7-14 and 15-19 years in the country has increased from 62.9% in 2001 to 81.0% in 2011 and from 30.5% in 2001 to 43.7% in 2011, respectively. Data pertaining to Census 2001 and 2011 show that there has been increase in percentage of school going ST children in the age group 7-14 and 15-19 years, in all States / UTs. Details are given at Annexure-I.

(d) to (f): Ministry of Tribal Affairs supplements the efforts of the Ministry of Human Resource Development, which is the line Ministry with regard to the subject of education, and the State Governments / UT Administrations by administering various schemes for enhancing access to primary education through provision of infrastructure by way of construction of hostels for ST students, establishment of Ashram Schools and through a scheme, namely, 'Strengthening Education among Scheduled Tribe Girls in Low Literacy Districts' for educational upliftment of ST girls. Details of funds released under these schemes during 2013-14 to 2016-17 are given at Annexure-II.

Ministry of Women & Child Development is administering Integrated Child Development Services (ICDS) Scheme which is a centrally sponsored scheme being implemented by State Governments / UT Administrations. Three of the six services,namely, immunization, health check-up and referral services are related to health and are provided by Ministry of Health & Family Welfare through National Health Mission (NHM) & Public Health Infrastructure.

Ministry of Health & Family Welfare, under National Health Mission is implementing Rashtriya Bal Swasthya Karyakram (RBSK) for screening of all children, including ST children, from 0-18 years of age including school children for 4 D's i.e. Defects, Deficiencies, Diseases, and Development delays including disability. The School Health Programme is subsumed under Rashtriya Bal Swasthya Karyakram. Under Rashtriya Bal Swasthya Karyakram, children in age group of birth till 6 years are screened twice a year at Anganwadi Centres and children of 6 to 18 years, enrolled in Government and Government aided schools are screened once a year by dedicated Mobile Block Health Teams consisting of two Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH) doctors (one male and one female), Auxiliary Nurse Midwife (ANM) and one pharmacist.
